EDUCATION

City College of Tagaytay, B.S. in Computer Science | Dean's Lister of 2022 – 2024

August 2022 – July 2026

Relevant Coursework: Web Development, UI/UX Web Design, Data Structures & Algorithms, and Software Engineering

WORK EXPERIENCES

Filinvest Land Philippines

Remote, Philippines

Junior Frontend Developer

Present

- Built **responsive CMS-driven website sections** for Filinvest Land using **Next.js, React, TypeScript, and Tailwind CSS**.
- Improved **component reusability** by integrating Payload CMS data into dynamic components.
- Fixed **rendering issues** through CMS debugging, dependency fixes, and Git/Azure workflows.

Freelance

Remote, Philippines

Frontend Developer

2024-2026

- Built **responsive websites** using React, Next.js, JavaScript, HTML, CSS, and Tailwind CSS.
- Converted **UI designs** into functional front-end interfaces with clean layouts.
- Customized **landing pages, portfolio sites, and e-commerce pages** for client needs.

UI/UX Designer

2024-2026

- Designed **wireframes, prototypes, and high-fidelity** mockups for digital products.
- Created **user-centered layouts** with clean, consistent, and usable interfaces.
- Produced **responsive UI designs** for academic, portfolio, and thesis projects.

Full-stack App Developer

2024-2026

- Led **end-to-end design and development** of a full-stack mobile application.
- Built an **AI-powered chatbot** for automated responses and inquiry management.
- Developed **Node.js, Express, and MongoDB APIs** for app data and chatbot features.

INVOLVEMENT

Caffeine AI Hackathon

Quezon City, Philippines

UI Designer / Frontend Developer

October 2025

- Designed UI screens and visual assets for an **AI-focused hackathon project**.
- Collaborated with the team** to develop and present an AI-based solution.

CERTIFICATIONS

CODECRED by Pocket Devs

Acquired at 2026

- UI/UX Principle - Certified in **Accessibility, usability, design systems**, and user-centered interface design.
- React Fundamentals – Certified in **Components, hooks, state management**, and scalable React applications.
- CSS Mastery - Certified in **advanced CSS concepts**, Responsive layouts, animations, styling practices, and modern CSS.

PROJECTS

Talk To Zein | livesite

ReactJS, OpenAI API, Tailwind CSS

- Built a **personal AI assistant** with custom chat UI and OpenAI API integration.
- Designed a **responsive chat interface** with smooth animations and branded visuals.

Jetour Flight Booking System | livesite

ReactJS, TypeScript, MongoDB

- Developed a **flight booking web app** with listings, filters, and booking pages.
- Integrated **MongoDB data and API routes** with a modern dark glassmorphism UI.

UI BY ZEIN (Developer Portfolio CMS) | livesite

Next.js, Payload CMS, Tailwind CSS

- Built a ****CMS-driven developer portfolio**** with dynamic projects, case studies, and blog content.
- Integrated ****Payload CMS**** to manage portfolio content using reusable frontend components.
